ANITA

TAKING MS. PEARL FOR A WHIRL

Dear PURELY 18,

It's interesting to see a girl like Anita Pearl with all lovely, dark hair on her head and not a peep of it down below. Not that I mind, I like the field cleared when I'm going down on a hot, young babe, her glistening, golden snatch, and slowly opening her pink taco so I can fill it with my flesh log and its creamy filling.

I've given it to a lot of girls with hot bodies like that Anita and I'd like to add her to the list, shove it in there and hear the coed mutter, "Cah-uh-ah-cuh-c-c-cock." They all do it like that. I guess it's big since they all tell me it is. Dunno, I don't go around looking at other guys' junk. Too busy banging chicks like Anita. Let's get her over here to Jersey. Tell her my mansion on the ocean got destroyed so I'm living like a normal person for a while, but I still got a bed.

Damn, taking a closer look and she might be even hotter than the usual slut I bang. I'll have

to see her in person. Seriously, shoot her over.

**Vincent
Essex County, NJ**

Dear Vincent,

If only she was fully ours to send away at our desire! Actually, if we had that kind of control,

we'd be calling her into the office every day and taking her home with us at night. Sounds like you're doing pretty well on your own, anyway!

SABRINA LOOK-A-LIKE?!

Dear PURELY 18,

I'm the type of person who wouldn't have picked up your magazine in a million years, but a very good friend found this, I assume with some other unseemly items, though I have more courtesy than to ask such things, unlike this generation.

The reason she brought your magazine to my attention is that the girl in your "Sabrina & Oliver" pictures looks very much like my neighbor's granddaughter. She wasn't going to show it to me since the name was wrong and I reassured her, pointing out that you're just a bunch of sex addict pornographers who voted for Obama, and you probably get every girl's name mixed up.

I studied this Sabrina very carefully, looking for anything that would reveal something definitive. While I haven't actually seen her naked in many years, there are some things that never go away. Birthmarks, things like that, though our neighbor's granddaughter, Bree, never had any of those. I just have to say that I've never seen her wearing red nails nor has she ever said word one about sex or pornography in my presence. I must conclude that

this girl you show being so pleased allowing a man to enter her in three different holes just can't be my neighbor's granddaughter. After all, she just went off to college and is working her way through school waitressing at a coffee shop, everyone knows that. Why would she need to resort to smut? I'm sure she's paying her bills just fine and she's still a virgin. Her mother waited until her wedding day, just like I did. It's a long, proud decision. This Sabrina in your magazine is the daughter of some bad parents and none of them are from our town.

Nana Pie
S. Providence, RI

Dear Nana,

You would certainly recognize your neighbor's granddaughter with a cock in her ass, who wouldn't? Surely the Bree, er, Sabrina is not the same person at all. But if your neighbor's beautiful granddaughter does need some help with her college tab—we've read that the price of universities today are quite expensive—you obviously know how to get in touch with us.

LESBO VEGGIE-MATIC

Dear PURELY 18,

Gardening is something a girl I used to know

loved more than anything, and when she and her friends would get together and talk about their bumper crops and get all giggly, now I think I know what was going on. Luckily this girl had some hot friends, so looking at this just makes me want to get the hoe out and get to planting some seeds of my own.

Lindsay and Nataly obviously have green thumbs to go along with the big, green veggie our friend so enjoyed having shoved up her ass. I wonder if they've maybe spent too much time on their farm where only young beauties are allowed to live and grow, and as a result men are mysteries to these darlings. In other words, they *need* a man.

Or maybe they just got into the vegetable crisper while the parents were at work and our after-school special today is an anal probing with some of those things that later will be served to the families. It's rebellion in so many classic ways, but the twist of that gorgeous ass. Pressure-cooking like I've never seen before. I guess this is why they always tell you to stay out of the kitchen of your favorite restaurants.

Rick
Flat Rock, MI

Dear Rick,

If we didn't know who the girl was, we might not like the idea so much, but we'd eat at that house any time. Both those chicks are scorching hot. Sadly, we haven't been invited yet.

VIVA VERONICA!

Dear PURELY 18,

Diacachimba! Veronica es mi chica favorita de todas las chicas! Muy caliente. Yo quiero mucho. Por favor explique a ella que yo tengo un regalo por ella en mis pantalones.

Mas fotos de Veronica en su revista, porfa! El mundo necesita ver todas las cosas sucias a esta chica puede hacer.

Nacho
Tortolita, AZ

Dear Nacho,

Si! Muy bien! We've never heard the expression "Diacachimba!" before, but most of our Spanish has come from *The Simpsons* and *Sabado Gigante*, and on the latter, we're mostly just watching the chicks. We're going to assume it's very positive. But, yes, obviously Veronica is very hot and we hope to get much more of her before she reaches her expiration date. ¡Viva Veronica!

A Young Girl's Diary

What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of **Tammy**, a curious 18-year-old, as she ponders her world of... what else ...**SEX!**

Dear Diary,

After a series of what my father called "incidents" that can all be traced back to what I call "fucking Daddy's friend," I was cut off financially early and had to work my way through school. Probably my favorite job is the one that everyone assumes must have been the worst: I was a maid at a local motel.

Sure, you have to clean a lot of toilets, but you also get mostly left alone so long as you do a decent job, plus you get to peek into people's lives that you would never get otherwise, and you get to keep whatever they leave behind, and people leave an amazing amount of stuff in their rooms that they never come back for. Half my wardrobe is left-overs, as is my computer, last three telephones, and every iPod owned by my extended family.

Obviously this was an unspoken rule and if anyone ever came back for their stuff, I gave it to them. We had a closet and after a couple days we deemed the booty ours for the taking and never looked back. But one time I didn't have to look back—that was the day I opened the door at home and found myself facing a man who was too inquisitive.

He was looking for a phone that he said he had left behind in room 1009 and had reason to believe the phone was in my house. Without an invitation he walked right in and announced he wasn't leaving until he got his phone. As luck would have it, he didn't have to do much looking—the phone was in my hand and kept beeping as texts came in. He demanded the phone back.

"How do I know it's yours?" I asked.

"Ever seen that kind of phone before?"

"No."

He snatched it out of my hand like a snake snatching its prey. He began reading the incoming texts aloud. They

were from my boyfriend, who had been trying to sext me into coming over to his house for hours. In fact, I'd been ready to go because I was getting so horny. And this man, this stranger, reading them to me out loud only amplified how hot they were—and how wet my pussy was.

He made himself comfortable on the couch and the phone sounded with each incoming text. He read them out loud and then even started responding, telling me what his responses were as he quickly typed back.

"So this is what you do with this cutting-edge technology?" he asked. "You and your boyfriend text dirty things to each other? There are so many other possibilities."

He aimed the phone at me and stood up, walking toward me. "Rather than wasting time texting, why don't you show him what you want to do to him?" With his left hand he reached down and undid his pants. With a little effort he flipped his cock out, which was huge even not fully erect. All I could say was, "Yeah, that's a good idea..." I don't know if the words even came out of my mouth because next thing I knew, I was looking up at him with the phone as I tried every trick I knew to get his cock into my mouth.

"Your boyfriend is watching," he said, "why don't you tell him what you're thinking?"

I slid my mouth off his cock really slowly as I thought of what to say. I was pretty sure my boyfriend couldn't be really watching this, I didn't even know if the phone could record or what, so I decided to just play the game. "You see me sucking this big cock, Mark?" I said. "This was almost you, but then this guy came over and, well..." I slowly lowered my mouth over his cock and thought it would be just like in the movies and it would slide right down my throat, but about three-quarters of the way I was slobbering messily all over his cock. He put a hand under my chin and tilted my head up, my spit covering his hand and I'm sure my

eyeliner was streaming down. And I didn't fucking care.

I pulled his pants down and off. I stood up and undressed for him. With one hand he kept the phone pointed at me, the other was on his cock and he said nothing. I played with my tits, amazed at how hard my nipples were, and then I inched my skirt down, put my hand down my steamy panties and put a finger in my gushy pussy, pulled it out and sucked on my glistening finger. "Your cock has never felt anything like this," I said. "Don't be surprised if I cum before you even get the head in. And no matter what happens, if someone comes home or the doorbell rings or the house is on fire, do not stop fucking me until you cum."

My panties hit the floor and it was so quiet, they seemed to echo. I sat at the edge of the chair and spread my legs and put two fingers in. "Don't you want to fuck me?" I asked. He scanned my body with the phone, from my feet to my face, then back to my pussy. I pulled my legs back and he smacked my clit with his dick and then he popped the head in and twisted it around as though testing my tightness, then in it went. He was so thick, I could feel every vein, the pulse of my heart quickened and I could feel my pussy clenching a little with every beat.

He kept the camera on his dick as it worked its way into my hole and after he really started screwing me fast and hard, he moved up to my face, which I'm sure was screaming thanks and lust, and again he told me to tell my boyfriend what I was thinking.

"I bet you wish this was you fucking me right now," I said. "It almost was, another minute and I would have been gone and I'd be riding you right now, but I guess you'll have to

wait. Do you like watching another guy lay me with his huge cock? Are you touching your cock as you watch my wet pussy get fucked by someone else? Does it make you want to fuck me more?"

He handed me the camera and turned me over on my hands and knees on the floor. I pushed my ass up high and settled on the floor so that I was looking at the camera. At that angle I could see my reflection in the phone and I could see his midsection and his cock drilling and I just started screaming to the camera, "Get over here now! You have to come fuck me! I want you to take turns with my pussy and fuck me all night!" He was totally taking charge of my pussy and I have never been any hornier than I was at that moment. I came and hard, I was pounding on the floor with one hand, and I'm sure the phone was shaking like crazy and then it was lifted out of my hand and I opened my eyes, and my boyfriend was there in front of me, naked and hard and the phone pointed at me.

"I got your text," he said.

I took his cock in to my mouth and sucked him as hard as the other guy was fucking me, my boyfriend getting it all on the phone and then the guy said, "I heard her say she wanted us to take turns, so you wanna switch?" Suddenly he was in front of me and my boyfriend was behind, tapping my ass and his familiar cock was in its place and I couldn't believe

this was happening. Obviously he had seen something or maybe everything, it didn't matter, not with a cock in my mouth drenched in my juice and my snatch being banged hard by my man.

The man told my boyfriend to pass him the phone and he did. He started fucking my mouth slowly and intentionally, guiding and gliding, then he started going faster and pulled out and splashed my face with the biggest wads I've ever seen, even in dirty movies. I sucked him off and then my boyfriend gripped my waist really tight and I could tell by his breathing that he was about to cum, too. He exploded in my pussy and collapsed on my back. By the time we snapped out of the post-fuck haze, the guy was gone, along with the phone.

I asked my boyfriend what had happened and he said that he got a text to click on a link from the phone and when he did, he saw me being fucked. He heard my call for him to fuck me from outside the front door, while he was still watching on his phone. The whole thing still loops over and over 24 hours a day on that site, not that anyone will ever find it.

That guy? I still don't know who he is, but he stayed at the motel every week or so and we fucked and never talked and he always had the phone on me. I don't know what he did with all that footage, but I think I can guess. I know I've logged onto that site more times than I'll admit to. Since I quit the job I still text him to come over sometimes and he does, as mysterious as ever, and fucking me as hard as ever.

ZOEY

The Great Out-Whores

Zoey Foxx is an all-natural, nubile l'il nymph who gets off on camping and rock climbing. "I love to build up a big sweat doing rugged things—it makes me want to fuck a rugged guy," explains this twisted blonde babe as she takes a break from her extreme sports just long enough to fulfill her need for dick. She seamlessly (and shamelessly) swaps between sucking and fucking her camp buddy's cock, licking his cock clean of her own natural juices before milking his manhood all over her delicious boobies!

THE INNOCENCE OF YOUTH

vol. 2

Story By Acme Andersson

SYDNEE TAYLOR

REMY LACROIX

MOLLY BENNETT

JENNA J. ROSS

STARRING: Sydney Taylor, Remy LaCroix, Molly Bennett, and Jenna J. Ross

DIRECTOR: Eddie Powell **STUDIO:** Digital Sin

A girl of 18 isn't necessarily innocent, and even if she looks that way, sometimes looks can be deceiving. These four girls all look amazingly innocent, and maybe they are when we first see them. But don't be fooled, they are all willing participants in these sexual shenanigans, so they shouldn't come running to us when some guy has left them covered in cum and their snatches have a little less of that new-pussy smell. At least have the decency to clean up first.

Sydney Taylor, Remy LaCroix, Molly Bennett, and Jenna J. Ross complete what is an amazing line-up of girls. Each is totally different from the others in looks and the way her sexuality is revealed. What's similar is the eager, just-do-me attitudes that are so refreshing when girls their age can sometimes be, well, sucky. These girls are sucky, but in the best sense of the word.

Sydney is a tiny one, under five feet, even when you stretch her, but she is probably the most ambitious sexually. Molly is the ringlet-bearing blonde who finds out her favorite instrument isn't the piano after all, it's the one thing you shove into your mouth. Jenna is the delicious, gap-toothed moaning wonder-body who appears to lose her innocence right before our eyes. Then Remy is probably the dirtiest girl of all—even getting her ass fucked—and yet when it's all said and done she actually appears to have somehow maintained her innocence. Put them all together and you have Digital Sin's *Innocence of Youth 2*.

JENNA J.
ROSS

REMY LACROIX

The director managed to make Remy look almost frumpy in her frilly dress and innocent walk-by before opening the curtain and waking Ramon. As she is about to leave the room, he motions for her to sit next to him and she does so with girlish hesitation that continues even as she moans softly to him playing with her pussy, and she jerks him off with a surprisingly steady hand for a girl who seems to never have gone this far before.

Her innocence is exposed as anticipation when she sucks his cock, looking up, batting the eyelashes that flutter in front of her doe-ish eyes, the pink bow in her hair bobbing in and out of view. The transition from mouth to pussy, thanks to the lubrication of both working parts, and the lust, which is absolute and wordless as the two hit the mattress, Ramon getting things warmed up by flipping her dress up and taking her doggie-style, her pussy bald and tight, with a tight squeeze.

Things get even tighter when they transition from front door to back gate, the pair continues without a word, maybe speechless, though her moans do get noticeably louder as he increases his access to her ass. Remy never loses her cool, even as he pumps more furiously, and the look on her face seems equal parts lust and seriousness, and just when you think she's about to call it a day with her asshole, she gets on top and bobs her ass up and down with such energy that you wonder if she's going to ever let his cock go. Her small tits bounce up and down and the innocence is still on her face, but there's a mission—she wants them both to cum. Ramon takes back the reigns, gets on top, and our sweetness lies back and takes it, rubbing her clit until she orgasms, then getting on her knees for his, which gets plastered on her face. Ramon then walks away and leaves Remy there to put herself back together.

MOLLY BENNETT

Molly is innocently practicing tickling the ivories when Mark not-so-innocently makes a play for her, pushing his hands down her shirt, softly unveiling her perfect teen tits, then she spreads her legs and pulls up her dress to reveal that she isn't even wearing panties. Maybe she got lucky and just forgot or maybe she was hoping that something like this would happen and she wanted to be totally ready. Before he can get a hand down there, she is fingering herself and the only way Mark can distract her is to pull out his huge cock and let her split her lips and lay some tongue on it.

She's a puffy-cheeked girl, and her blowjob is juicy, using both hands to jerk him off as she sucks, looking up at him and even breaking into an anticipatory smile as he undresses and gets ready to play his cock right into her anxious hole. She is still on the bench, resting her head on the keyboard as she holds her legs apart, and Mark works his way deeper and deeper inside her hole until it all fits. It's not the kind of thing you just shove in all the way without someone getting ready for it.

Once her pussy is able to take him entirely, they fit her along the bench, cheeks down as he bombs her from behind, her pussy soaking up his direct hits as she forgets all about playing the ivories and tries to learn this new, wonderful song. It sure has a high-pitched squeal to it and this blondie has the right tone. It stops only before a mid-screw blowjob she gives him before getting on top for a long ride, the final countdown toward Mark's cannon blowing, something she is imagining as she rides him hard, cumming like crazy before giving him the go-ahead look that tells him he can blow any time. He drills her until she cums one more time, then turns her on her side for a few strokes before pulling out. She gets on her knees, looks up, and as she starts to smile, she is surprised by his cock's spurt-ing on her face and tits. He walks away happy and she sits back on her heels with a dumb, satisfied smile.

JENNA J. ROSS

When we come across Jenna, she is wrapped snug against a railing with her skirt pulled up and a vibrator fully activated inside her see-through panties. Michael Vegas watches for a while, then goes in for a whiff and comes out stiff, gets rid of the vibrator, and replaces it with his tongue, then his fingers, and finally with his dick.

Jenna makes no secret of the fact that she is his to do with what he will, that was obvious when she let him watch her getting off while attached to the railing. After that she's anxious for another kind of railing, and he is going to make her guess what's coming next. She steadies herself and he lifts a leg and enters her bare puss from behind, her lips tugging on his rod, her hole slowly expanding to accommodate his dick, and the wetness lets him fill her snug hole.

They move to the floor where the girl with the frilly dress and fake flower in her hair rides and moans on his bone, and Michael grabs onto her ass, and it looks for a minute like he's going to make a move on her ass, but they stick with the snatch and no one appears to have any regrets. Instead, she enjoys the tease as a side to his thick cock filling her fresh muffin. She is louder than the other girls, and the way they go after each other proves that they aren't expecting anyone to come home and break up the session. This helps them discover Jenna's new freedom as he bends her over and the tightness of her twat takes its toll on him; soon he's in search of a place to put his seed. Jenna seems to want every bit of her screwing, so she won't let him pull out until the very last second, which leaves her pretty ass drenched in his muck.

SYDNEE TAYLOR

Put a mark on the wall and measure it, she's only 4' 11" and weighs in at less than 100 pounds, making this dark-skinned beauty a sizzling little spinner. All gussied up in her little pink dress and the white flower in her hair, she looks like she could be going to meet with her religion study group. Instead she's hooking up with Mick Blue to do some of the stuff she's read about, so you weren't completely wrong with your first guess.

She's coy as she looks up at Mick as she starts to undo his pants, almost like she might get some resistance (she hasn't learned yet that guys will *never* say no to her, not for a long time anyway—how cute!). Mick almost folds the tiny thing in two as he gets ready to take her for a ride, and suddenly our picture of innocence gets a sex-kitten look on her face, and by the time he can even get his balls damp with her pussy sweat, she has morphed into this little sexual super-creature that loves getting plowed as much as he loves cramming his prick between her petite legs.

Mick is awed by her tiny frame and the feel of her almost miniature pussy, a glove-tight velvet version that has him touching every part of her body as if to see if this is all for real. It is, and when she gets on top, she shows him that small girls can do big things, too. He's a believer and soon he's sharing his truth with Sydnee, spreading it all over her face and letting it drip down to her small chest. So much for the innocence of this youth.

SNOW FLAKE

ONE OF A KIND

Our sexy **Snow Flake** exudes a natural beauty and confidence we don't see in most girls at the precious age of 18. Her supple sacs are begging to be sucked, and her smooth, shaved snatch glistens with a frothy quim-juice in the light like the rising sun meeting a fresh morning dew. Her long, shapely thighs will wrap around you on a cold winter's night to keep warm, and her tender ass can be spread wide and enjoyed like a fine delicacy...

Victoria & Tess

Study Break

College roommates, **Victoria**, and **Tess** get along great—in fact, they've grown very close over the semester. They respect each other's privacy and private parts, stopping from their studies to help each other unwind by kissing and sucking pussy. On this particular night the girls were *cramming* for their finals, so what better way to get their minds off things than to cram a dildo in their adorable assholes? It seemed to do the trick alright, because these cuties got straight A's, if you know what we mean...

Lynne

Porcelain Princess

Fawnish, fair-skinned **Lynne** looks timid and demure, but she's just a little nervous. Being her first time naked in front of the camera, we're going to cut this cutie some slack. Especially after this young, naïve sweetheart plays with her bountiful boobs and spreads her pussy lips apart and gives us a peek at the juiciness inside. Her milky-white skin has a sweet cherry filling that's just begging for a banging!
